# New year celebration

# New year celebration

New Year's welcome was very good by Ashraya's children, they made resolutions for themselves as to what to do and they decorated the centre, along with singing, dancing, arts, games and made a very fun and joyful day, along with us The guest who came also did the same to him. then distributed gifts among all

# Art & Crafts

Children do a lot of designing, crafting paintings and making from craft paper in which they have done paper designing wallpaper art, wall hanging from craft paper and makes designable things from using waste cardboard.

# Republic Day celebration

We did a lot of things on Republic Day in which children did dance, drama, singing, poem, poetry, speech and art & craft. On Republic Day, the children gave a speech on our Constitution, as well as the life story of Dr. Babasaheb Ambedkar.

Certificates and prizes were provided to all the students who participated in the program. All our guests who came liked all the programs very much.

# February plan

**Focus on computer skill, prepare students for her annual examination, woolen art work, classical dances & songs.**
