SYLLABUS

Students had gotten school exams, so we prepared them for their exams, by taking regular classes on the topics and regularly conducting exams.

Post exam major topics covered, other than covering student's week areas are

1. Poems(english+hindi)
2. metals & non -metals
3. fraction addition

NOTEBOOKS & REFRESHMENT

Students loved the notebooks given to them by Miss Gayathri. Also kids enjoy the refreshment they keep getting on everyone's birthday, it makes them super charged and eager to come and study at ashraya.

 **THE SASSY US**

DANCE

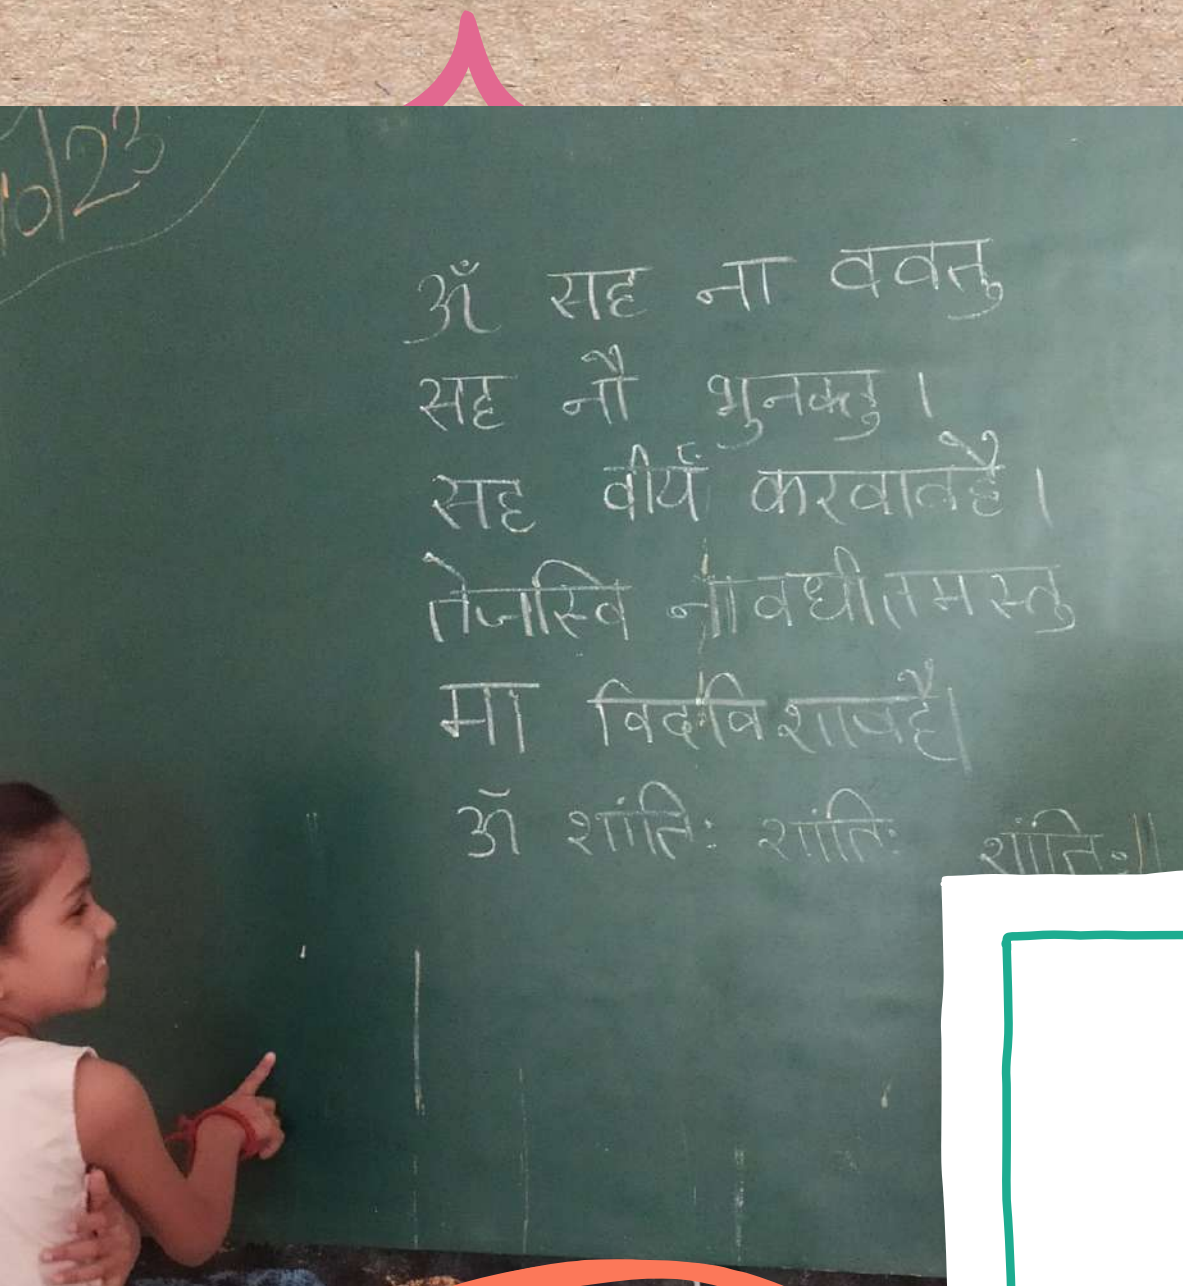

The most loved session of kids, dance class. We are having dance class for an hour on every Sunday, where every kids are explicitly taught the skill.

ART & CRAFT

Learning

- Handwriting competition
- Drawing competition
- Rainbow colour mixing
- Mehendi Learning
- Greeting cards

BIRTHDAYS

We celebrated 3 birthdays this month
Biswajit Kundu, Gayathri and Sahithi

Birthday celebrations have brought so much joy and excitement in kids, they love meeting new people and interacting with them. It gave so much exposure to kids. They made greetings and presented dance and songs to the visitors.

LOVE

* * MENSTRUPEDIC

Comic reading and a session had been taken for awareness on periods to the girls. they were taught about periods, how to deal with hormonal changes what should be eaten to avoid anaemia, and the yogashanas to get rid of period pain.
